Learning and Development Outcomes for YOU and YOUR CLUB

From the perspective that a Golf Club Manager requires, you will develop a sound knowledge and understanding of greenkeeping practices and to ensure that the golf course is effectively and successfully managed through the expertise that your greenkeeping team provide.

You will develop a greater understanding of how to work and communicate effectively with your greenkeeping team and all stakeholders. You will build an understanding of how to ask the right questions, to obtain the information you need in order to make the right decisions for the long-term success and sustainability of your golf course.
