WHO WE ARE

The Golf Club Management Association was originally formed in 1933; by Golf Club Management Professionals, for Golf Club Management Professionals. We have a history and heritage to be proud of, and alongside this we have an exciting vision for developing and shaping the future of Golf Club Management in the UK and believe that our members are at the very heart of everything that we do.

As the leading association for Golf Club Management in the UK we are committed to making a positive difference to the game of golf, through supporting the Professional and Personal Wellbeing of our members.

We recognise the importance of not only providing our members with technical guidance and advice, but also delivering a wide range of education and professional development opportunities AND supporting personal development and wellbeing.
